L. Topsoil, Grass, Seed, Fertilizer and Mulch.

All disturbed areas (ditches, back slopes) within the road right-of-way not provided with pavement and shouldering material shall be restored utilizing four (4) inches of topsoil and good quality grass seed, fertilizer and mulch. Ditches along the roadway shall be protected by necessary erosion control materials such as hay bales, sod, erosion control mats, etc., as prescribed by the engineering design for the ditches as approved according to the storm drainage plan required by the Wisconsin Department of Natural Resources.

N. Roadway Drainage Accumulation.

The highway/street shall not impede the general flow of surface water or
stream water in any unreasonable manner so as to cause either an
unnecessary accumulation of waters flooding or water soaking uplands, or
an unreasonable accumulation and discharge of surface waters flooding or
water soaking uplands; Wis. Stats. §88.87.

O. Post-Construction Traffic Limited.

No vehicular traffic shall be permitted on the pavement for a minimum

time, proof will be made by the presenting of waivers of liens or receipted
bills that all work that has been done has been paid for or arrangements have
been made for the payment through written instrument by the subdivider. If
the road is rejected, corrections shall be made as recommended by the Town

   (a) 12 monthly business meetings.
   (b) 12 monthly team trainings.
5. Minimum qualification for compensation will require 28 points annually.

A. Perpetual care fund for town cemetery. In order to assure reliable means for permanent care of town cemeteries, a perpetual care fund is created for town cemeteries. Income from this fund shall provide all or partial maintenance costs of the town cemeteries. All lots sold in any town cemetery shall be charged a perpetual care fee included in the price of the lot and each grave shall be provided with perpetual care services under 12.0108(B). A record of the perpetual care fund shall be kept in the office of the Town Clerk-Treasurer. The fund may be increased by gifts, bequests, a portion of memorial charges, and other service revenues. Gifts shall be received, kept, and maintained pursuant to s. 157.10(8) and (9), Wis. Stats.

B. Perpetual care. The town assumes to use the net annual income received from the investments of the perpetual care fund under 12.0108(A), in furnishing perpetual care of graves in town cemeteries. Perpetual care is limited to the maintenance of lawn, leaf disposal, filling sunken graves, raising markers, and caring for avenues, alleys, fences, buildings, and grounds in general. Expenditures of income from the perpetual care fund shall be made at the discretion of the Town Board or Sexton. The town shall not be bound to make a separate investment of money set aside for perpetual care from a particular lot sale, but the proceeds of each lot sale shall be added to the perpetual care fund of the town and the proceeds from the fund used by the town as provided in this subsection. Nothing in this ordinance shall be construed as obligating the town as to any alleged
existing contract as to perpetual care. The Town Board shall operate and maintain the town cemetery to provide proper and decent care of town cemeteries, and the graces, and it may employee a Sexton, staff, and any independent contractor necessary to provide such care.

C. Costs of care fixed. The Town Board shall annual fix, as required under s. 157.11(5), Wis. Stats., a sum necessary for the proper and decent care of graves and unoccupied cemetery lots and improvement of any town cemetery to be paid from the following sources as determined by the Town Board:

The Town Board may annually assess upon town cemetery lots not occupied by graves amounts not to exceed the amounts reasonably required for actual and necessary costs for care of cemetery lots and care and improvement of the cemetery pursuant to s. 1570.11(7), Wis. stats. Notice of the assessment, along with a copy of s. 157.11, Wis. Stats., shall be mailed to each owner or person having charge of a cemetery lot, at the owner’s or person’s last known post office address, directing payment to the cemetery authority within 30 days and specifying that such assessments are a personal liability of the owner or person. When uniform care of a cemetery lot has been given for 2 consecutive years or more, for which assessments are unpaid, after notice as provided in s. 157.11(2), Wis. Stats., the right to burial is forfeited until delinquent assessments are paid. When uniform care has been given for 5 consecutive years or more and the assessments are unpaid, upon like notice, title to all unoccupied parts of the cemetery lot shall pass to the town, as cemetery authority, and maybe sold, the payment of principal into the perpetual care fund, the cemetery authority may retain an amount necessary to cove the cemetery authority’s administrative and other expenses related to the sale, but the amount retained may not exceed 50% of the proceeds.

E. General Improvements. The Town Board shall direct and administer all improvements and maintenance within the cemetery before and after any burials. The Town Board shall be responsible for determining proper and decent care of the cemetery. All graves shall be sodded and mowed, when determined necessary by the Town Board or the Sexton. The grade of the cemetery lots shall be determined by the Town Board or the Sexton. The corners of all cemetery lots shall, when purchased, if possible, be permanently marked by the Town Board or the Sexton. Re-sodding of existing graves or following disinterment will be done when determined necessary by the Town Board or the Sexton.
F. Veteran’s graves.

1. Pursuant to s. 45.85, Wis. Stats., the Town Board shall at all times see that the graves and tombstones of all veterans, including women’s auxiliary organizations created by an act of Congress, who shall at any time have served in any branch of the armed forces of the United States, and of the spouses or surviving spouses of all those veterans, receive proper and decent care, and may employ all necessary assistance to carry out this section.

2. Pursuant to s. 45.85(1), Wis. Stats., the expense of the care of the graves and tombstones shall be borne by the county where the graves are located, except where suitable care is otherwise provided and the amount of expense charged the county for the care may not exceed the charge made for the care of other graves in the same cemetery. The Town Board shall report to the Oconto County clerk, on or before September 1 of each year, the locations of the graves cared for by the Town Board under s. 45.85, Wis. Stats., together with the names of the deceased and the amount claimed for care of the graves for the fiscal year from the previous July 1 to June 30.
