

Kewaunee County Invasive Species Management Program

Bay-Lake Regional Planning Commission

Deadline: July 30, 2018

Landowner Application Form

Landowner(s) _____

Mailing Address _____

City/State/Zip _____

Phone Number _____

Parcel #'s (located on your property tax bill) _____

Email address (to send project updates) _____

***By signing below I authorize herbicide treatment on my property for the purpose of invasive species control starting from the date of my signature until December 2019. Landowners who wish to revoke permission must do so in writing to the Bay-Lake Regional Planning Commission.**

I understand that this is primarily a invasive species control program and that educational follow up may be provided through the Bay-Lake Regional Planning Commission, Kewaunee County, Wisconsin DNR, partner organizations, or contractors to help maintain or control future infestations. I also understand that as a property owner, I intend to contribute to the success of this effort by following management recommendations provided to me for effective control; and that I am encouraged to be present (if possible) at the time of treatment.

Signature: _____ Date: _____

Landowner Site Evaluation (complete to the best of your ability)

- 1) Width of waterfront: _____ feet _____ N/A
- 2) Density of *Phragmites* estimate: Dense _____ Scattered _____ Sparse _____ None _____
- 3) Approximate total square feet of *Phragmites*: _____ feet x _____ feet
