

Teaching Safe Bicycling 2019

Train the Trainer workshop; learn to teach children bike safety skills

- Learn to develop and organize a successful child bicycle training event in your community
- Find out how children differ from adults as bicycle riders and how their crashes are different
- Understand state-of-the-art skills related to safe bicycle riding and tips on how to teach skills
- Experience hands-on hazard identification in bicycle riding areas and know how to work to eliminate or correct these hazards

Bring a bicycle and a correctly fitted helmet. Wear comfortable clothes and closed-toe shoes; bring cooler or wet weather gear. Training is scheduled from 9am - 3pm. Lunch is not provided.

Receive useful bike safety materials to take back home!

There is NO REGISTRATION FEE, but pre-registration is required. To register, go to: www.tinyurl.com/teachingsafebicycling
